

NOTICE OF AVAILABILITY AND PUBLIC COMMENT PERIOD FOR BANNISTER FEDERAL COMPLEX

The U.S. Department of Energy (DOE) has announced a 15-day public comment period for its proposed Revised Finding of No Significant Impact (FONSI) for the Environmental Assessment (EA) for the Transfer of the Kansas City Plant, Kansas City, Missouri (DOE/EA-1947). The EA was prepared under the National Environmental Policy Act (NEPA), which mandates that proposed federal actions be analyzed for any environmental impacts. The EA, original FONSI and proposed Revised FONSI can be viewed at the following website address:
<https://nnsa.energy.gov/aboutus/ouoperations/generalcounsel/nepaoverview/nepa> .

The public comment period will begin July 6, 2016, and end July 21, 2016. The public is being asked to comment on the proposed Revised FONSI for the addition of the General Service Administration's 100 acres to the proposed action to transfer the 122-acre Kansas City Plant, currently owned by the DOE, to a new owner, and NNSA funding of demolition and site remediation.
